

 Fresh Pearls		PRODUCT SPEC SHEET FRESH PEARLS CHILI			
				Rev. 09 (09-02-2017)	
Product description	CHILI PEPPER GARNISH PASTEURIZED				
Ingredients	Water, glucose syrup, 10% chili chipotle paste (water, chili, tomato paste, onion, white vinegar cane alcohol, sugar, salt and garlic), stabilizer: calcium lactate, thickener: xanthan gum, gelling agent: sodium alginate, salt and acidulant: malic acid.				
Manufacturing process	Produced with "Inverse Spherification method": the art of transforming liquid into spheres. It consists of immersing a liquid preparation containing sodium alginate in calcium lactate. A gelified film is formed instantly that goes thickly in the outside (calcium forms a gel with the sodium alginate). A sphere with liquid interior is obtained, stable in time and temperature.				
Organoleptic properties	Delicate and slightly gelly texture. Once they explode in the mouth they release their flavour. Pearls are bright orange. Chili chipotle is a smoked and dried jalapeño pepper that developes smoky and chocolate aromas, with a nutty touch. Medium spicy.				
Suggested use	As topping for a steak tartar or to accompany mexican gastronomy dishes.		Allergens	No allergens	
Shelf life	14 months from production date. Once opened consume within 7 days.		Storage conditions	Keep refrigerated between 2°C and 4°C	
GMO's	It does not contain genetically-modified organisms.		Gluten	Gluten Free
