				Rev. 10 (04-08-2017)	
Product Description	LEMON & LIME GARNISH PASTEURIZED				
Ingredients	64% concentrated lemon juice, glucose syrup, stabilizer: calcium lactate, natural lime & lemon aroma, safflower extract, thickener: xanthan gum, gelling agent: sodium alginate and acidulant: citric acid.				
Manufacturing process	Produced with "Inverse Spherification method": the art of transforming liquid into spheres. It consists of immersing a liquid preparation containing sodium alginate in calcium lactate. A gelified film is formed instantly that goes thickly in the outside (calcium forms a gel with the sodium alginate). A sphere with liquid interior is obtained, stable in time and temperature.				
Organoleptic properties	Delicate and slightly gelly texture. Once they explode in the mouth they release their flavour. Bright yellow colour. Predominant flavour is acid, with a light aromatic and bitter touch typical from lime peel.				
Suggested use	With oysters, scallops or with a seafood risotto.		Allergens	No allergens
